Enfranchisement of Shanbhog Service Inams in the enjoyment of sharers.

Summary of discussion.—The officiating Shanbhogs get the Potgi attached to their office, while the Hissedars are left to enjoy their shares of the Sevice Inam lands on payment of the assessment fixed thereon. The latter are allowed no concession unlike the practice obtaining in the Districts under the Madras Government, where the officiators get pay and the shareholders enjoy the Inams in perpetuity on payment of a quit-rent of eight or ten annas in the rupee. An arrangement similar to the practice of the Madras Presidency should be introduced into Mysore.

Dewan's reply.—Under consideration.
